

Framkant Nordic – Global Design System v1.0

Brand Personality

Premium, Intelligent, Professional, Modern, Trustworthy, Structured, Scandinavian, Minimal.

Avoid: Flashy, Trendy, Corporate, Playful, Loud, Agency-like.

Design Principles

Simplicity First.

Whitespace Creates Premium.

One Message Per Section.

Business Before Design.

Consistency Wins.

Secondary Text: #6B7280

Success: #16A34A

Warning: #F59E0B

Error: #DC2626

Typography

Headings: Manrope (700–800)

Body: Inter (400–600)

H1 56px, H2 42px, H3 32px, H4 24px, Body 18px.

Layout

Max width: 1280px

Max text width: 720px

Desktop spacing: 120px

Tablet: 80px
Mobile: 56px
12-column grid.

Buttons

Primary: Blue background, white text, 14px radius, 56px height.

Secondary: White background, blue border.

Text button with arrow hover.

Cards

20px radius, subtle shadow, 32px padding, lift on hover.

Forms

56px height, 14px radius, blue focus state.

Icons

Use Lucide outline icons.

Images

Use authentic photography. Avoid generic stock or AI-looking imagery.

Illustrations

Minimal system diagrams rather than decorative graphics.

Animations

250–350ms transitions. Fade, slide, hover lift, smooth scrolling.

Spacing

Use an 8px spacing system: 8,16,24,32,48,64,80,120.

Reusable Components

Hero, CTA, Feature Cards, Industry Cards, Service Cards, Case Studies, Testimonials, FAQ, Contact Form, Timeline, Growth Diagram, Footer CTA.

Accessibility

WCAG AA, keyboard navigation, visible focus states, minimum 18px body text.

Performance

Target PageSpeed 90+, green Core Web Vitals, WebP/AVIF images, lazy loading.

Brand Voice

Confident, simple and professional. Avoid marketing clichés.

Overall Inspiration

Linear, Stripe, Notion and Apple. Scandinavian, calm, minimal and timeless. Use Framkant Blue as the primary accent color.
